

RUSSELL INVESTMENTS AT-A-GLANCE

Invested in outcomes.

What are your investment goals?
Let's reach them together.

Focusing on what matters most—your goals

You know *why* you're investing. But *how* you invest matters, too. That's why we **design** diversified solutions across a broad range of opportunities, **construct** them using some of the world's leading managers and strategies, and dynamically **manage** them in real-time.

Solutions to best fit your life

Are you trying to grow your investments as much as you can? Preserve your wealth and minimise your taxes? Or generate sustainable income during retirement? We can help. And so can your financial adviser, so be sure to reach out to them for guidance. Together, we can help bring your goals within reach.

You're in good company

Our approach is trusted by some of the largest, most demanding investors in the world—household names with billions of dollars in their portfolios. These institutional investors are trying to do the same thing you are. They are investing savings, accumulated over time, to potentially create wealth in the future.

An investment approach to design, construct and manage solutions with investor outcomes in mind.

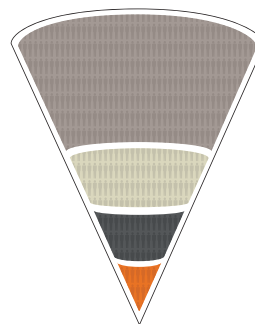

Designed toward investor outcomes, not ours

- › Our multi-asset approach diversifies portfolios across a broad array of stocks, bonds, and alternative investments. (Diversification and multi-asset investing do not assure a profit or protect against loss.)
- › We consult on some of the biggest portfolios in the world and bring that expertise to bear for you.

Precisely constructed with some of the world's leading managers and strategies

- › We value the best strategies, so we put great effort into researching money managers around the world—with the goal of finding top performers.
- › We precisely combine those managers and strategies into our funds. The goal? To maximise your return and minimise your risk.
