## ABOUT RUSSELL INDEXES

Russell's indexes business, which began in 1984, accurately measures U.S. market segments and tracks investment manager behavior for Russell's investment management and consulting businesses. Today, our series of U.S. and global equity indexes reflect distinct investment universes—asset class, geographic region, capitalization and style—with no gaps or overlaps. Russell Indexes offers more than three dozen product families and calculates more than 700,000 benchmarks daily covering 98% of the investable market globally, 81 countries and more than 10,000 securities. Approximately \$5.2 trillion in assets are benchmarked to the Russell Indexes.
