A MIT that makes a "fund payment" must give to the recipient of the fund payment a notice to enable it to satisfy its MIT withholding tax obligations under Subdivision 12-H as applicable.

The portion of the total payment (the "fund payment") from which MIT withholding tax would have been required to be withheld if it were paid to an entity covered by Section 12-410 of the TAA 1953 is as set out below.

\*\*Note: The fund payment amounts noted above do not include any amount which is, or is attributable to, a fund payment from a clean building managed investment trust.

The income year to which the fund payment relates is the year ending 30 June 2017.

The details noted above are provided solely as a fund payment notice, based on estimates, and should only be used for MIT withholding tax purposes.
