### IMPORTANT INFORMATION

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. There will be no fees or commissions payable in connection with issuance of exchange-traded fund series. For specific fees and expenses associated with exchange-traded fund series of mutual funds, please read the prospectus, as these fees and expenses may differ from mutual fund series. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.

Nothing in this publication is intended to constitute legal, tax securities or investment advice, nor an opinion regarding the appropriateness of any investment, nor a solicitation of any type. This information is made available on an "as is" basis. Russell Investments Canada Limited does not make any warranty or representation regarding the information.

As with all mutual funds, investment in this mutual fund contains risks that may make it unsuitable for investors, depending on their investment objectives and risk tolerance. If the fund does not perform as intended, an investor may experience a loss of part or all of their principal invested. Please read the prospectus of this fund for a detailed description of the risks involved in this investment.

Diversification and strategic asset allocation do not assure a profit or protect against loss in declining market.

Although exchange-traded series of mutual funds ("ETF Series") will be listed on the TSX or another exchange or marketplace, there can be no assurance that an active public market for ETF Series will develop or be sustained. Trading of ETF Series on certain marketplaces may be halted under certain circumstances. There can be no assurance that ETF Series will trade at prices that reflect their net asset value per security. The trading price of ETF Series will fluctuate. For more information on risks associated with investing in ETF Series, please read the prospectus before investing.
