

**Amendment No. 1 dated October 22, 2021  
to the Annual Information Form dated July 30, 2021**

**of**

**Russell Investments Global Unconstrained Bond Pool  
(Series B, E, F, O and ETF Units)**

**(the “Fund”)**

**Redemption of outstanding Series ETF units**

Due the relatively small number of Series ETF units of the Fund currently outstanding and the ongoing expenses allocable to them, all of the outstanding Series ETF units of the Fund will be redeemed for cash at their net asset value per unit on November 30, 2021 (the “Redemption Date”). No further Series ETF units will be issued by the Fund after the Redemption Date.

Accordingly, the annual information form of the Fund is amended by adding the following under “Administration of the Funds – Trust Funds”:

On or after November 22, 2021, the Declaration of Trust governing Russell Investments Global Unconstrained Bond Pool will be amended to authorize the trustee, in its discretion and at any time, to require that all the holders of ETF Units redeem such ETF Units at their net asset value per ETF Unit if the trustee has determined, in its sole discretion, that it would be in the best interests of such Unitholders to do so. On November 30, 2021, Russell Investments Global Unconstrained Bond Pool will redeem all of its outstanding ETF Units and issue no further ETF Units thereafter.
