5. Resolving Conflicts of Interest

a. General Statement of Policy with Respect to Conflicts

These Policies are designed to enable the Committee to resolve any material conflicts of interest between investee companies, on the one hand, and the Adviser or its affiliates, on the other (“Conflicts”), before voting proxies with respect to a matter in which such a Conflict may be presented. These Policies are intended to assure that proxies are voted in accordance with the best interests of clients or shareholders at all times, notwithstanding the existence of any Conflicts, by: (i) authorising votes to be cast in accordance with the Guidelines, (ii) delegating to the Proxy Administrator responsibility for performing research and making recommendations in accordance with the Guidelines, (iii) requiring the implementation of a process through which ballots generally are voted in accordance with the recommendations of the Proxy Administrator, and (iv) requiring specific additional procedures to be followed in those situations where the Committee takes action in connection with an Exception or Unique Matter.

An Exception is any matter (i) referred to the Committee for a vote because the Guidelines specify that the matter be voted on a case-by-case basis and (ii) which is not voted pursuant to the recommendation of the Proxy Administrator.

b. Specific Additional Procedures to be Followed with Respect to Exceptions

With respect to any member of the Committee voting against the recommendation of the Proxy Administrator, the Proxy Coordinator shall obtain the following certification from such Committee member(s):

In voting with respect to this matter, I am not aware of and have no knowledge of any material conflict of interest between the client on whose behalf the vote is being cast, on the one hand, and me personally, Russell Investments or Russell Investments affiliates, on the other with respect to the matter being voted on.

The Proxy Coordinator shall not cast a vote with respect to an Exception or Unique Matter unless the foregoing certification is received from each voting Committee member. If each voting Committee member voting does not make the foregoing certification, the Proxy Coordinator shall complete the following steps:

- In consultation with the Committee and such legal representation as it deems necessary or appropriate, the Proxy Coordinator will exercise reasonable diligence to research and document whether a conflict is present.
- The Proxy Coordinator shall prepare and deliver to the Committee a written report (“Conflict Report”) that describes, in reasonable detail, the following items: (a) the recommendation, if any, from the Proxy Administrator, (b) the basis for recommending that a specific course of action be taken by the Committee on a particular matter (e.g., request of portfolio manager, legal or other), (c) whether a Conflict was determined to be present, (d) the basis for making the determination that a Conflict was or was not present, and (e) if a Conflict is present, the basis for determining that the course of action to be taken is consistent with the best interests of the affected clients or shareholders and not the product of the Conflict. Any supporting materials (including the Proxy Administrator recommendation) shall be attached to the Conflict Report.
- Prior to taking action, that action to be taken must be approved by the Committee upon a reasonable determination by the Committee that such

action is reasonably determined to be in the best interests of the affected clients. The basis for reaching that determination shall be set forth in minutes (“Minutes”) from the meeting upon which such action is authorised.
