WHY RUSSELL INVESTMENTS?

Russell Investments is a global asset manager with a unique set of capabilities that we believe is essential to managing your total portfolio and to meeting your desired outcome.

Russell Investments has more than \$342 billion (NZD) in assets under management (as of 30/06/2016) and works with 1,700 clients and millions of individual investors globally.

At Russell Investments, we stand with you, whether you're an institutional investor, a financial adviser, or an individual guided by an adviser's personalised advice. We believe the best way to reach your desired outcomes is with a multi-asset approach that combines: asset allocation, capital markets insights, factor exposures, manager research, portfolio implementation.
