Note: Negative numbers or percentages represent capital losses incurred in the current and/or prior years.

The major portion of this year's capital gains for some of the Russell Investment Company Funds will be distributed in mid-December. This distribution will consist of approximately 98.2% of all capital gains earned during the 12-month period ending October 31, 2019, less any previous distributions made for that time period.

Remember, the above numbers are not the distributable amount. The distributable amounts will be affected by any adjustments to the gain or loss amounts. This distribution may also be affected by certain tax laws applicable only to excise and year-end distributions such as §1291 PFIC rules, §1256 Mark-to-Market rules, §988 Foreign Currency rules and §1091 Wash Sales rules. Additionally, distributions may be affected by redemptions in the Funds and changes in the outstanding shares.

Fund objectives, risks, charges and expenses should be carefully considered before investing.
