Investment management

Since 1980, we’ve been hiring some of the best managers identified through our research and packaging them in our investment funds. We closely monitor their ongoing performance, making changes when necessary.

We can also handle all aspects of your performance reporting and administration, as well as trust and custodial services either on an asset class by asset class basis, or as part of an OCIO solution.

Investment solutions

A well-designed DC plan will typically offer a combination of default investments for participants who wish to leave the management and monitoring of their portfolios to a professional along with other core investment options for those participants who prefer to be more personally involved. At Russell Investments, we offer both.

- **Default options:** We offer several default investment options to meet the unique needs of your plan, including the LifePoints® Institutional Target Date Strategy Funds, and custom Target Date Funds.
- **Individual funds:** We also offer a large selection of individual, institutionally-priced multi-asset funds in both traditional asset classes and real asset solutions for an efficient core investment menu.

Consulting

For over 50 years, our global network of consultants and research analysts have helped institutional investors maintain efficient and effective investment programs. We offer:

- Strategic advice customized around your DC plan's goals,
- Investment policy refinement and asset class strategy modeling,
- Capital markets insights, asset manager research, and
- Efficient implementation of investment strategies.

Our DC clients benefit from our depth and breadth of capabilities.

Market forecasts, prepared by our **CAPITAL MARKETS INSIGHTS** professionals, are used as inputs in our strategic **ASSET ALLOCATION** process.

Insights from our **MANAGER RESEARCH** team help us better understand the likely performance behavior when pairing various managers.

Our target date **IMPLEMENTATION** and rebalancing process benefits greatly from the experience of Russell Investments' implementation services, one of the industry's largest transition managers.
