

Investing with a purpose

Russell Investments

At-a-glance

Russell Investments is a leader in helping institutional investors link their investment strategy to their organizations' goals and objectives. Our experience and depth of resources in consulting, investment management, research and implementation make possible a wide range of innovative solutions.

Russell Investments' innovative solutions

We offer comprehensive investment services to defined benefit plans, defined contribution plans, public retirement plans, multi-employer plans, and non-profit organizations worldwide.

We are uniquely positioned to help institutional investors understand their challenges and provide strategic advice and solutions that help them achieve their investment goals, while managing risks.

Consulting

In 1969, we helped pioneer investment consulting. Today, our global network of consultants and research analysts help institutional investors maintain efficient and effective investment programs. We offer:

- In-depth recommendations,
- Policies, planning and asset class strategies,
- Research and information on markets and managers, and
- Efficient implementation of investment strategy.

Investment management

Since 1980, we've been hiring some of the best managers identified through our research and packaging them in our investment funds. We closely monitor their ongoing performance, making changes when necessary.

In addition to traditional equity and fixed income options, we offer a range of alternative investments, including real estate and hedge funds.

We also handle all aspects of performance reporting and administration, including retiree services and fiduciary support. Trust and custodial services are also available for our fund investors.

#1 Global manager of outsourced assets

Top ranked in Transition Management

Innovation Winner – Investment Outsourcing

A leading consultant in worldwide assets (2010-2017)

Implementation services

Russell Investments provides a range of investment services to help investors manage funds efficiently and cost effectively, including:

- **Overlay services:**
 - **Passive exposure management** — Through techniques including smart cash equitization, rebalancing and liquidity management, clients can minimize implementation slippage and improve risk-adjusted returns.
 - **Active exposure management** — We offer informed rebalancing and synthetic mispricing services designed to help clients profit from valuation discrepancies in the markets.
 - **Currency implementation** — We act on an agency basis in currency trades, negotiating competitive foreign exchange (FX) rates for clients. In 2017, \$1.02 trillion in FX was traded and 24 independent counterparties used FX to execute trades.
- **Transition management:** Managing risks and investment performance of assets in transition is at the core of everything we do and have been doing for nearly 40 years. In 2017, more than \$723.3 billion was transitioned.
- **Commission management:** Since 1969, our commission recapture program has saved clients **over \$1.3 billion**, (\$9.5 million in 2017 alone) through effective commission cost management.

Our research advantage

Our manager research, asset allocation technology, portfolio design and capital markets research are at the forefront of the investment industry, including:

Award information (in order of appearance)

1. Russell Investments was ranked as the top global manager of institutional outsourced assets, out of 34 firms, in *CIO Magazine's* "2018 Outsourced-Chief Investment Officer Survey", based on the AUM from its fully discretionary clients.
2. Russell Investments was ranked as one of the top-five globally in "Overall Client Satisfaction" in Chief Investment Officer's "2018 Transition Manager Survey." The 2018 results were based on responses from 243 global asset owners' ratings on the portfolio transitions they mandated and the managers they used in the previous 12-months.
3. Russell Investments was named as the winner of *CIO Magazine's* 2017 Industry Innovation Award for Investment Outsourcing. *CIO* cited Russell Investments' top client satisfaction rankings in the magazine's 2016 and 2017 OCIO Vendor Ratings surveys, as well as the firm's position as one of the world's largest OCIO providers. This is Russell Investments' fifth time as a *CIO* Industry Innovation Award winner since the awards were created in 2010.
4. For the eighth year in a row, Russell Investments was ranked as one of the top-five largest consultants. Ranking is based on worldwide institutional assets under advisement (AUA) by the 2017 Pensions & Investments Consultant Directory.

Russell Investments' ownership is composed of a majority stake held by funds managed by TA Associates with minority stakes held by funds managed by Reverence Capital Partners and Russell Investments' management.
