

Russell Investments Continental European Equity Fund

Article 8

Patrick Egan
Portfolio Manager

Russell Investments' Global Equity Team comprises over 23 experienced professionals, including portfolio managers, researchers, portfolio analysts, and strategists in Russell Investments offices around the globe. The team manages a wide range of U.S., non-U.S developed, emerging market, frontier market, and global equity mandates.

Fund Objective

The Fund aims to achieve long term growth by investing in the shares of European companies (excluding UK), or companies that carry out a majority of their business in Europe. The Fund is actively managed with reference to the MSCI Europe ex UK Index (Eur) Net Returns (the index) which it seeks to outperform by 1.75% over the medium to long term. Russell Investments/ Money Managers have full discretion to select investments for the Fund. This product is an Article 8 product, as defined under EU regulation - it promotes environmental or social characteristics and invests in companies that follow good governance practices. This product does not have sustainable investment as its objective.

Fund Update

Russell Investments, as the Investment Manager, adopts and executes the ideas of the selected third-party specialist investment managers through our in-house implementation team. The Fund is dynamically managed in alignment with our cycle, valuation, sentiment (CVS) framework to take advantage of tactical opportunities within each manager's excess return cycle. The Fund is tilted towards value and small and mid-cap factors. It is also exposed to quality and momentum. In sectors, the Fund is tilted towards industrials, technology, energy, communication services and financials.
