

Russell Investments Global Small Cap Equity Fund Article 8

Megan Roach, CFA
Portfolio Manager

Russell Investments' Global Equity Team comprises over 23 experienced professionals, including portfolio managers, researchers, portfolio analysts, and strategists in Russell Investments offices around the globe. The team manages a wide range of U.S., non-U.S developed, emerging market, frontier market, and global equity mandates.

Fund Objective

The Fund aims to achieve is to achieve capital appreciation by investing in equity securities worldwide, with a focus on investments in small and medium sized companies. The Fund is actively managed with reference to the MSCI World Small Cap Index (USD) - Net Returns (the Index) which it seeks to outperform by 2% over the medium to long term. Russell Investments has full discretion to select investments for the Fund.

Fund Update

The Fund is dynamically managed in alignment with our cycle, valuation, sentiment (CVS) framework to take advantage of tactical opportunities within each manager's excess return cycle. The Fund maintains exposure to both growth and value factors and also holds a tilt towards quality and momentum. In alignment with Russell Investments' strategic equity beliefs, stock selection of the underlying active managers, based on their long-term assessment of each individual company, continues to be the primary driver of the Fund's expected risk and return.
