Important Information

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of returns are the historical annual compounded total returns including changes in unit/share value and reinvestment of all dividends or distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual Funds are not guaranteed, their values change frequently and past performance may not be repeated.

All rates of return shown are for periods ending December 31, 2024. Rates of return shown for less than one year are not annualized. All other data shown is as of December 31, 2024 with exception of Regional Weights, Ten Largest Holdings, Maturity Allocation, Credit Quality Ratings and Fixed Income Sector Weights, which are as of November 30, 2024. Holdings may differ from a fund's holdings in its annual financial statements.

As with all mutual funds, investment in this mutual fund contains risks that may make it unsuitable for investors, depending on their investment objectives and risk tolerance. If the fund does not perform as intended, an investor may experience a loss of part or all of their principal invested. Please read the prospectus of this fund for a detailed description of the risks involved in this investment.
