Fund Facts

Series Inception Date : 07/25/2005

Asset Class : Multi-Asset

MER: 1.21%

Total Fund Assets : \$268.27 M

Annualized std. dev. 3 yr : 8.99%

As of March 31, 2024. Management expense ratio (MER) is based on total expenses (excluding commissions and other portfolio transaction costs) for the stated period and is expressed as an annualized percentage of daily average net asset value during the period.

The expected rate of return on a bond if it is held until maturity based on its current market price. It is not a measure of historical yield or the income received by an investor. Investment management fees, expenses and taxes are not included in this calculation that would have decreased the yield shown.

Std. dev. = standard deviation. For definition of terms please visit <https://russellinvestments.com/ca/glossary-of-terms>.

Fund Objective

To provide long-term capital growth with some income, primarily through exposure to Canadian and foreign equity securities and, to a lesser extent, exposure to Canadian fixed income investments.

Investment Strategy

Russell Investments Balanced Growth (The Fund) invests primarily in Underlying Funds. It has a target asset allocation of 43% fixed income exposure and 57% equity and real asset exposure. The equity exposure is roughly 25% Canadian equities, and 75% foreign equities.

Performance Review

	1 month	3 months	6 months	Year to date	1 year	3 years	5 years	10 years	Since inception
Series F	0.7%	1.0%	5.3%	5.3%	10.4%	2.2%	4.2%	4.7%	5.0%

Annual Returns

All Performance shown is for Series F. Series F is a wrap or fee-for-service program and as such, the performance shown does not include the advisory fee paid by the investor to the dealer that would have reduced returns. Series F management fees are lower than Series B. Annual returns are calendar year returns for the last ten years or since inception if the Fund has less than ten years of history. Performance is annualized except for periods of less than one year.

Important Information

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of returns are the historical annual compounded total returns including changes in unit/share value and reinvestment of all dividends or distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual Funds are not guaranteed, their values change frequently and past performance may not be repeated.

As with all mutual funds, investment in this mutual fund contains risks that may make it unsuitable for investors, depending on their investment objectives and risk tolerance. If the fund does not perform as intended, an investor may experience a loss of part or all of their principal invested. Please read the prospectus of this fund for a detailed description of the risks involved in this investment.
