MER: 2.16%

Total Fund Assets : \$442.39 M

Annualized std. dev. 3 yr: 9.04%

As of March 31, 2024. Management expense ratio (MER) is based on total expenses (excluding commissions and other portfolio transaction costs) for the stated period and is expressed as an annualized percentage of daily average net asset value during the period.

Std. dev. = standard deviation. For definition of terms please visit <https://russellinvestments.com/ca/glossary-of-terms>.

Fund Objective

To provide income and long-term capital growth primarily through exposure to Canadian and foreign equity securities and, to a lesser extent, exposure to fixed income investments by investing primarily in other mutual funds, and to pay a monthly distribution (which will at times include a return of capital) to investors.

Investment Strategy

Russell Investments Diversified Monthly Income (The Fund) invests primarily in Underlying Funds. The decision to invest in an Underlying Fund is based on Russell Investments' assessment of the market outlook and the Underlying Funds' ability to help The Fund meet its stated investment objectives.

Performance Review

	1 month	3 months	6 months	Year to date	1 year	3 years	5 years	10 years	Since inception

Important Information

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of returns are the historical annual compounded total returns including changes in unit/share value and reinvestment of all dividends or distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual Funds are not guaranteed, their values change frequently and past performance may not be repeated.

As with all mutual funds, investment in this mutual fund contains risks that may make it unsuitable for investors, depending on their investment objectives and risk tolerance. If the fund does not perform as intended, an investor may experience a loss of part or all of their principal invested. Please read the prospectus of this fund for a detailed description of the risks involved in this investment.

Diversification and strategic asset allocation do not assure a profit or protect against loss in declining markets.
