Std. dev. = standard deviation. For definition of terms please visit <https://russellinvestments.com/ca/glossary-of-terms>.

## Fund Objective

To provide income and some long-term capital growth primarily through investments in and exposure to fixed income securities and, to a lesser extent, Canadian and foreign equity securities, either directly or through investments in other mutual funds.

## Investment Strategy

Russell Investments Income Essentials (The Fund) invests primarily in Underlying Funds. The decision to invest in an Underlying Fund is based on Russell Investments' assessment of the market outlook and the Underlying Funds' ability to help the Fund meet its stated investment objectives.

## Performance Review

	1 month	3 months	6 months	Year to date	1 year	3 years	5 years	10 years	Since inception
Series F	0.5%	0.6%	2.6%	2.6%	6.8%	0.5%	2.3%	3.3%	4.2%

## Annual Returns

All Performance shown is for Series F. Series F is a wrap or fee-for-service program and as such, the performance shown does not include the advisory fee paid by the investor to the dealer that would have reduced returns. Series F management fees are lower than Series B. Annual returns are calendar year returns for the last ten years or since inception if the Fund has less than ten years of history. Performance is annualized except for periods of less than one year.

## Important Information

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of returns are the historical annual compounded total returns including changes in unit/share value and reinvestment of all dividends or distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual Funds are not guaranteed, their values change frequently and past performance may not be repeated.

As with all mutual funds, investment in this mutual fund contains risks that may make it unsuitable for investors, depending on their investment objectives and risk tolerance. If the fund does not perform as intended, an investor may experience a loss of part or all of their principal invested. Please read the prospectus of this fund for a detailed description of the risks involved in this investment.

Diversification and strategic asset allocation do not assure a profit or protect against loss in declining markets.
