## Fund Objective

To provide long-term capital growth with some income, primarily through exposure to Canadian and foreign equity securities and, to a lesser extent, exposure to fixed income investments using multiple factors to select investments. The fund may invest in other mutual funds.

## Investment Strategy

Russell Investments Multi-Factor Global Balanced (The Fund) uses research driven analysis that seeks to isolate and assess a diversified set of factors, each of which is intended to identify suitable investments.

## Performance Review

	1 month	3 months	6 months	Year to date	1 year	3 years	5 years	10 years	Since inception
Series F	-1.2%	2.4%	8.9%	16.1%	16.1%	5.4%	6.7%	-	7.4%

## Annual Returns

All Performance shown is for Series F. Series F is a wrap or fee-for-service program and as such, the performance shown does not include the advisory fee paid by the investor to the dealer that would have reduced returns. Series F management fees are lower than Series B. Annual returns are calendar year returns for the last ten years or since inception if the Fund has less than ten years of history. Performance is annualized except for periods of less than one year.

## Important Information

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of returns are the historical annual compounded total returns including changes in unit/share value and reinvestment of all dividends or distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual Funds are not guaranteed, their values change frequently and past performance may not be repeated.

As with all mutual funds, investment in this mutual fund contains risks that may make it unsuitable for investors, depending on their investment objectives and risk tolerance. If the fund does not perform as intended, an investor may experience a loss of part or all of their principal invested. Please read the prospectus of this fund for a detailed description of the risks involved in this investment.
