

Do you receive any account-based, allocated and market linked (term allocated) pensions? That means you must receive a minimum payment amount per year.

WHAT ARE MINIMUM PENSION LIMITS?

Each tax year, you are required to be paid at least the minimum legislated pension from your pension account. The annual minimum amount you must take from your pension is based on your age and expressed as a percentage of the balance of your pension account as at 1 July or when you commence your pension (whichever occurs later).

HOW DO I CHANGE THE MINIMUM AMOUNT ON MY PENSION?

To update your minimum pension amount, you can:

- **Log in** to your online account at russellinvestments.com.au/login and select Actions > Change Pension Payment and update your details.
- **Contact us** on 1800 555 667 to update your details over the phone.
- **Visit** russellinvestments.com.au/retirement, download the Change Pension Payments Details Form located under Forms, complete it and send to:
